

INFORMATION CALENDAR

PAST EVENTS

02.11 → BAMI sent a joint letter together with BFIEK, BKHP and BACI to the PRIME MINISTER and the responsible ministries insisting on changes to the National Recovery and Sustainability Plan (NAP) and the removal of the restriction for access to funds from the Program for Economic Transformation of sectors and industries included in the EU Emissions Trading Scheme. The letter is available [HERE](#)

04.11 → On the occasion of the Metallurgist's Day, Mr. Anton Petrov - Chairman of the Board of BAMI, participated in the program "In Development" on Bloomberg TV. He noted the successes of the sector, the problems with electricity prices and the need of support for energy-efficient production, saying "It is not right the money from the Energy Security Fund to go only to TPP "Maritza East 2".

[Watch the whole interview here.](#)

05.11 → The professional holiday Metallurgist's Day took place in an extraordinary epidemiological situation with online events and an active information campaign - publications in different media and live participation in radio and TV programmes. Congratulatory Address from the Chairman of the Board and the congratulations received by BAMI you can find [HERE](#)

17.11 → In connection with the **60th anniversary of KCM JSC** in partnership with IME a business forum "KCM-60 YEARS OF DEVELOPMENT" was held. The reports were in the field of metal processing along the value chain and the circular economy. At the organized "DINNER WITH FRIENDS" a traditional cake for the 60th "BIRTHDAY" of KCM JSC was cut.

19.11 → Representatives of BAMI, metallurgical companies and BFIEC held a meeting to continue joint actions on electricity prices and state support for industry. In accordance with the decision taken at the meeting, the nationally representative business organizations sent a letter to the Prime Minister and the responsible ministries to continue the programme and compensate non-household consumers for high stock exchange prices. The letter is available
